**RE: Leadership SLO Class XXI Legacy Project
Sacramento Hall of Counties, SLO County Shadowbox Display Update**

Dear Greg and Dan:

I am writing on behalf of Leadership SLO Class XXI regarding a plan to update San Luis Obispo County's display at the Hall of Counties at the Capitol Building in Sacramento.

I believe you are both familiar with the project and the need for improvement in representing our wonderful County with something more up-to-date.

We have funding in place that includes seed funding from our class and the bulk of the project funding in the form of a \$12,000 commitment from Visit SLO, approved at their June 19th, 2013 board meeting. Attached is the RFP seeking proposals from local artists that has been approved by the Visit SLO board and will be let starting today.

Our team, to include one or all of the following: Linda Parker Sanpei, Amanda Collins, and me, Aimee Wyatt, would like to make a formal proposal at the July 16th Board of Supervisor's meeting to let the Supervisor's and the public know more about the project. We would also request that the Board of Supervisor's designate a representative to be on the Selection Committee.

Sincerely,

Aimee M. Wyatt
Leadership SLO Class XXI
